

NOTICE

To Residents Of Simonton, Texas

Due to extenuating circumstances resulting from severe drought conditions and fire risk, the City of Simonton has hired a contractor to remove windstorm related limbs and brush from areas of the community affected by last month's windstorm.

WINDSTORM RELATED LIMBS AND BRUSH that need to be removed must be placed neatly in the area between the ditch and the road prior to the pickup date.

Debris Pickup begins MONDAY, OCTOBER 10.

- Debris must not be placed in the ditch or in the road.
- The contractor will not go on private property.
- No other debris will be collected.
- Please do not put future debris in ditches for any reason.

Let's all do our part. Together we can minimize the risk of wildfires. Your cooperation is appreciated.

For questions, please contact Simonton City Hall at 281-533-9808 or via email at cityhall@simontontexas.org.
