***Learn how your property may be impacted  
by new changes to FEMA's Flood Insurance Program***

The Federal Emergency Management Agency (FEMA) is in the process of implementing changes to the flood insurance program in accordance with the Biggert-Waters Flood Insurance Reform Act of 2012 (BW-12). The act significantly changes flood insurance premium rates by eliminating the government subsidy. Elimination of subsidized rates has begun for certain properties and may be expanded to include additional properties in the future. **This could significantly impact property owners/sellers/purchasers within Fort Bend County.**

***Special Guest Speaker:***

**Carl Watts**

**FEMA, Region 6**

Mr. Watts will address the changes as they are being implemented to date, provide insight on planned future changes and answer any questions that you may have.
