March 2, 2015

Dear City of Simonton Residents and Commercial Property Owners:

At the October 21, 2014 meeting of the Simonton City Council, the City Council selected Texas Pride Disposal Services for solid waste collection services.

At the December 16, 2014 meeting of the Simonton City Council, the City Council signed the contract with Texas Pride Disposal for solid waste collection services.

November 20, 2014 the City sent a letter to all residents and businesses within the city limits to notify them of this change. This letter is the follow up letter to that notice.

Please be advised that the City of Simonton will be managing the municipal solid waste within the City of Simonton **starting April 1, 2015**. By this date, no other solid waste company can provide service within the City of Simonton until the end of the two-year contractual agreement. To reference Ordinance 2015-01 of the City of Simonton, Texas regulating Solid Waste within the city please visit the city website at <http://simontontexas.org/city-ordinances/>.

If you have not switched your garbage provider to Texas Pride Disposal, the last day to switch is Tuesday, March 31, 2015. Please make sure you have switched companies by this time. Texas Pride Disposal's contact information is as follows:

Texas Pride Disposal
Kevin Atkinson – Owner
PO Box 1186
Rosenberg, TX 77471
